Funder Highlights

We couldn't reach the people we do, nor have the impact we have, without the generous support of our funders.

Bright Start Breakfasts Fund

Two years of funding from the Scottish Government's Bright Start Breakfasts fund - https://inspiringscotland.org.uk/fund/bright-start-breakfasts/ - is a fantastic boost to our Play on the Way breakfast club which empowers children through a healthy breakfast, peer relationship building, and a positive start to the school day.

West Lothian Council Third Sector Community Support Fund (TSCSF)

Single year finding from the TSCSF - www.westlothian.gov.uk/article/65737/Third-Sector-Community-Support-Fund - will contribute towards development and delivery of our Pillars of Play programme at The Dale Hub in Armadale. This fund specifically supports The Dale Hub as it is situated in an area of multiple deprivation, and the award highlights the strength of our work in Armadale, where we host and chair the Armadale Regeneration Group, and work closely with our statutory partners.

West Lothian Council Rural Community Led Local Development (RCLLD)

Single year RCLLD funding - www.westlothian.gov.uk/article/82278/Rural-Community-Local-Led-Development-2026-2027-Expression-of-Interest - will help us to expand our Pillars of Play outreach work into rural and isolated communities in West Lothian.

Childcare Transport Support Fund

A grant from West Lothian Council has enabled us to purchase a mini-bus lite to be used to pilot collection of children from Boghall primary schools for our Wester Inch Simply Play venue.
